**Vaccination Protocol must be completed 21 days prior to delivery.**

**Everyone should analyze his or her deworming program and Implant Strategy to take advantage of the most weight gain during this period.**

**NOTE: All catalogues are mailed one week prior to sale also, all holidays are taken into consideration to allow adequate mailing time.**

**SALE DATES VERSUS DELIVERY DATES: in our best efforts to better market your cattle; all cattle have to be weighed at first processing to project weights for forward delivery of your cattle**
